

TOWN OF UNITY NEWSLETTER

JULY 2020

❖❖❖COMING SOON❖❖❖

The Town of Unity is upgrading its water meter system. Every household will be contacted by Neptune for access to the water meter inside the home. Expect to be contacted this fall.

Lorass has reported there are contaminated bins being picked up. If contaminated loads are going to continue, fees are going to increase. Do not put anything that is not accepted in your bin.

Grass clippings, leaves and all compostable materials must be placed in clear plastic bags and are picked up free of charge all year.

There will be a scheduled pickup in the fall for garden refuse and loose tree branches. Branches should be cut short as possible and all materials for pickup placed in a neat pile by the alley.

Unregistered vehicles need to be in a structure. If you have a vehicle that you no longer have a use for, the Unity Fire Department would gladly accept it for use for fire practice.

Any questions call Randy, Bylaw Enforcement Officer 306-210-8447.

Watering Schedule

Watering is permitted on Monday, Wednesday, Friday & Saturday.

It is encouraged to water in the early morning or later evening to limit evaporation and waste.
